

VICTORIOUS VALLEY HOMES

**A Ministry Of:
Victorious Valley Baptist Church**

Pastor's Update

Greetings in the name of our lovely Lord and Savior Jesus Christ. This is the time of year I always look forward to. It's absolutely beautiful here in Sunset in the Autumn.

On another note, I would ask that you pray for all the young people in the home as this is an especially difficult time for them. It's always hard for them to be away from their families during Thanksgiving and Christmas. We try to compensate by making it as much like home as we can.

We're so thankful for Bro. Devon Whittemore and his family and friends. They always make Thanksgiving so special for the home by cooking 2 or 3 turkeys among other things.

Of course we don't want to forget the One that makes all this possible. Jesus is definitely worthy to be praised! Amen!

Iwould also ask that you pray for our Veterans Day Banquet on November 9th. Every year we have a special meal and service for our Veterans, to honor them for their service to our country, and for our freedom. We live in a day and age where it seems like

nobody does anything for our veterans anymore. It's our hope and prayer, not only to honor them, but to also present the glorious Gospel of Jesus Christ. Last year we had about 25 Veterans along with their families, many of them which need the Lord. They all thanked us for honoring them, and said they wanted to come again this year. Do pray that we can be a light to our Veterans this year, and that they could see Jesus through us!

Once again, I do want to thank each and every one of you for your prayers and for your sacrifice in being so faithful to give to this ministry. We love you all!

Girls Home Testimony

Emily Wiles

Hi, my name is Emily Wiles and I'm 14yrs Old. I'm from North Carolina and I came into the Home about 2 months ago.

I was adopted when I was three months old by my Aunt and Uncle. My biological mother couldn't take care of me because she was a bad drug addict and only fifteen.

When I was 8, I tried ending my life by taking pills. I was always questioning why I was even here. I felt like a big mistake. I just wanted to end my life! By the time I turned 13, I was getting into drugs and

started partying. I did a lot of things that hurt my parents and myself. I kept many secrets from my parents. Many times I tried to take my own life. By the time I was 14, my parents knew I needed help.

On August 25th, 2012, I came to Victorious Valley Homes, and on August 29th, 2012, God saved me! He's done so much for me! He had blessed me with a wonderful family, but I just couldn't see how good God was to me. He has sent me here for a reason, and He is definitely doing a work in my heart.

He's the dearest friend I've ever had! I thank the Lord for all I have become, and what I will become. To God be the Glory!
