Pastor's Update

Dear Friends & Supporting Churches—

Spring is in the air again, and I can't help but think of Song of Solomon 4:16, where it says, "Awake, O north wind; and come thou south; blow upon my garden, that the spices thereof may flow out."

Just as in springtime, when everything is fresh and new, and all the flowers are bursting forth with sweet aroma; we, too, should be as a garden filled with pleasant fruit! Who, when the north wind blows, send forth a sweet fragrance to this lost and dying world. This world has smelled enough hypocrisy to last a lifetime.

Please pray that God would help

us here at Victorious Valley to be that garden that would send forth the wonderful aroma of the Rose of Sharon to the hopeless youth of America.

From a Friend

Recently it was the privilege of my wife and I to spend some time with Bro. Casey and the fine people of the Victorious Valley Baptist Church and Homes. Pastor Casey asked if I would preach at their annual sweetheart banquet. The Lord richly blessed during this wonderful evening service. Several made a move to the altar during the invitation. The fellowship we enjoyed with this great group of

God's people was glorious, and I am excited about the future of Victorious Valley.

The grounds were wonderfully kept, the food was great, and the spirit was sweet. I thank God for what He is doing at VVBC. The burden of Bro. and Sis. Casey is to change the lives of one person at a time while having a vision of reaching the world with the gospel.

The Galilee Baptist Church in Monroe, NC (of which I am the Pastor) has been supporting the ministry of VVBC for in excess of 20 years I must say that I am as positive about the future of this ministry as I ever have been.

I believe that its greatest days are yet ahead. I would like to personally encourage all who read this letter to seriously consider supporting this worthy work.

Girls Home Testimony

Hi, my name is Chelsea Bozeman and I'm 15 years old. I grew up in a Christian home with parents that cared about me. I was very active in sports and made good grades in school. Then everything changed when I started High School. I thought the world had all the fun, and I was determined that I knew what was best for my life. I stopped listening to my parents and didn't care about anything that they or God had done for me. I heard about God while I was

growing up, but I never really listened.

Then, the day came when I knew I needed help. My parents and my aunt and uncle found the Victorious Valley Homes on the internet and thought it would be a great way to turn my life around. I came to the home

"I Love the Lord, and I'm working everyday to strengthen my walk with Him."

on January 17, 2011, and began to get back to where I needed to be with the Lord. I got saved on February 2, 2011. And since that day, everything just seems so much brighter. I love the Lord, and I'm working every day to strengthen my walk with Him.

Boys Home Testimony

Don't Forget!
May 2nd
1611-2011

Happy Birthday
to our
King James Bible!

Hil My name is Nick Brown, and I have been in the Home for a little more than 10 months.

I started rebelling against my parents when I was about 12 years old. I did some stuff that I knew they did not want me to do. They pleaded and pleaded with me to stop, but I didn't. I just kept doing my own thing.

"I Dumped the Pride I Had and Accepted Christ as my Saviour!"
- Nick A Brown

Finally, they sent me to Victorious Valley Homes near the end of May in 2010.

When I was 7 years old, I made a profession of faith, but God kept telling me I was lost, and I just thought it was the devil trying to make

me doubt. Well, it was God, and I knew I had to be saved. So, on April 4, 2011, I dumped the pride I had, and accepted Christ as my Saviour. Now I really, really know without a doubt that I am saved!
